2014 Maryland Legislative Regular Session Votes for Delegate Arora, Sam

Maryland Legislative Watch researched the State of Maryland General Assembly web site (mgaleg.maryland.gov) and gathered the legislative voting information presented here. One needs to be careful in reading the information provided because it may be deceiving when a vote is a yea or nay, especially when the title of a bill as shown here reflects "Special Orders". The term "Special Orders" has multiple meanings which cannot always be derived from the amount of information we can present here. The "Special Orders" vote may reflect a vote on an amendment or series of amendments to a bill which may dramatically alter the original intent of the bill. "Special Orders" may also reflect procedural motions. The information is provided here for completeness. All floor votes in both the House of Delegates and the Senate are included with the exception of quorum votes. For specific bill information, go to mgaleg.maryland.gov and search on the bill number.
